Textured paper

We want to give your mounted print an artsy feel. Your chosen image is printed on short grain, 340gsm paper. The textured pristine white textured paper will make your print look gallery ready.

Mounted frame

A cardboard frame (1.4mm thickness) is mounted onto the photo print with slightly bevelled edges (45°) adding depth to the Mounted Art Print.

Optional wooden frame

Add an optional wooden frame to the Mounted Art Print for an additional \$15. These frames come in a natural wood colour. They have a bracket attached to the back of the frame, so that you can easily hang it on the wall.

Hanging kit

A hanging kit is included for your Mounted Art Print, free of charge! Stick it onto the back of your print and place it on its forever home on the wall. If you have ordered the optional wooden frame, it comes with a bracket attached to the back of the frame. It's easy !
